BEFORE CLASS

For our students' and personnel's safety:
Class size is limited in size. NO DROP INS.
All students must be pre-registered online.

WHDT recommends students bring props from home, if used during class.
(e.g. stuffed animal, wand/stick, scarf, etc)

ENTERING CLASS

Entry into the studio will be through the studio door, and exit will be the same way.
Studio dressing rooms are closed, please come dressed in proper ballet attire.

Student's temperature will be taken before entering the studio. He/she may only enter if they are without fever or symptoms. Required forms must be filled out and will be kept on file.

Hand washing and sanitizing is mandatory upon entry into the studio.

Masks are recommended, however we are allowing the student to use his/her best judgement with regards to utilization.

By entering the studio, you are agreeing to relinquish liability of exposure risks.

DURING CLASS

Please keep the recommended social distancing guidelines. The studio floors are marked to help dancers maintain 6'-0" distance from one another.

Viewing Room is closed. There will be no waiting in the studio. All dancers' parents and drivers must wait outside or in their cars until allowed into the studio using social distancing.

AFTER CLASS

Studio barres and surfaces will be sanitized after every class, by students.

Any props used from the studio will be disinfected and put aside.

THESE POLICIES ARE SUBJECT TO CHANGE. MAHALO FOR YOUR KOKUA!
